(Send name, address, phone number & email)
- Phone or email with questions: 304-566-7332
- There is no charge for participation.

The West Virginia Community Development Hub is pleased to offer a free informational session on farmers' markets. Our partners include:

WV Department of Agriculture
WVU Extension
Collaborative for the 21st Century Appalachia
WV Farmers' Market Association
WesMonTy Resource Conservation &
Development
Stonewall Jackson Resort
Pierpont Community & Technical College

This free session provides:

An opportunity to learn about farmers' markets requirements & guidelines,

Information about value added and processed products,

Information on food production as economic development in WV,

An opportunity to connect with other farmers' markets,

An opportunity to learn about a variety of farmers' market resources,

Lunch prepared by Chef Dale Hawkins utilizing locally sourced food!
